## The Truly Relaxing Tropical Getaway

Fiji is an exotic tropical destination with 333 islands that can sizzle with excitement or murmur with the quiet calm of pristine nature.

Fiji is where romance is celebrated, affirmed and renewed.

Fiji is where you can float in the calm, quiet waters of a turquoise lagoon or walk alone through lush tropical rainforests.

Fiji is where time runs slow and the mind and body are rejuvenated.

Fiji is where you can swim or snorkel over kaleidoscope gardens of soft coral and tropical fish or scuba dive Fiji's Magical North or the famous Astrolabe Reef.

Fiji is where Cloud Break and Frigate Pass draw surfers from around the world.

Fiji is where families vacation, play and enjoy being together.

Fiji is where the sun shines almost every day and when it does rain, people rush outside for a rainbath in the warm downpour of a tropical shower.

Fiji is cruising through tropical islands on small cruise ships or charter sailing yachts.

Fiji is where life is lived for the joy of it all.

Fiji is where new friends are discovered and smiles come from the heart.

Fiji is all of this and oh so much more.

## Fiji ~Where Happiness Finds You

# Planning your perfect holiday

## Entry & Departure Requirements

U.S. citizens are required to have a passport valid for 6 months beyond intended stay and an airline ticket for onward travel. Entry visas are granted upon arrival for visits of up to 120 days. The current Departure Tax for Fiji is \$40.00 FJD per person over 12 years old, if you are flying on Air Pacific the Departure Tax is collected as part of your ticket.

## Health & Climate

Fiji's tropical climate is tempered by southeast trade winds, May-October is the cooler, drier season with an average temperature of 76 degrees, while November-April is the wetter, warmer season with an average temperature of 86 degrees. Fiji is free of most tropical diseases that affect many tropical islands. Be sure to check with your health provider if you have any concerns. Bottled water is readily available across the islands.

## Currency & Tipping

The Fijian dollar is the basic unit of currency. There are many banks and ATMs available. Most resorts allow guests signing privileges. Major credit cards are accepted at most shops, hotels and resorts. Tipping is not customary in Fiji but most resorts have a "Staff Fund" or "Christmas Fund" that you can contribute to should you choose.

## Dress & Etiquette

A light tropical wardrobe is appropriate at the resorts. To avoid offending the locals or for visits outside of the resorts make sure you have a sulu or sarong to cover with. When visiting a village or some ones house please do not wear hats and remove your shoes, this could offend your host or village chief.

## Language

English is an official language in Fiji and is compulsory in all schools. So there's a good chance that English will be the language you have in common with people you meet around the country. English is one of three official languages of Fiji - the other two being Bau Fijian and Hindustani.

## Fiji Time

While time does seem to slow down in Fiji and move at a more leisurely pace it is handy to know that Fiji is 20 hours ahead of Pacific Standard time, so for an example if its 2:00pm on a Tuesday in Los Angeles - it's 10:00am in Fiji on Wednesday.

## Getting Around

Getting around is easy, there are a multitude of options to choose from; Coach and Private cars; Speedboat and Catamaran; Helicopter and Sea Plane; Scheduled domestic flights and Charter flights. Your All About Fiji specialist will advise the options available for each of the resorts.

## Nadi & Coral Coast

Choose from

**Seat in Vehicle** - general transfers where guests are dropped off in the order of their accommodations.

**Private car** - The most direct route to your resort.

## Mamanuca Islands

Choose from

**Catamaran** - general transfers where guests are dropped off in the order of their accommodations. Two categories are offered, Standard and Captains Lounge.

**Speed boat** - The most direct route to your resort. Some resorts operate their own boats for this or you can choose SeaFiji, the premier water taxi service, departing from Port Denarau. Speed boat transfers can operate 24 hrs a day to many islands.

**Helicopter** - Island Hopper Helicopters depart from the airport, Denarau or the Coral Coast straight out to the islands.

**Sea Plane** - Pacific Island Seaplanes depart from Nadi or the Coral Coast to the Islands. They also offer interisland transfers sightseeing and charter flights.

## The North & Outer Islands

Choose from

**Scheduled domestic flights** - Pacific Sun and Air Fiji offer scheduled flights to Vanua Levu, Kadavu, Mana, Malololailai and other islands with landing strips. Transfer to the resort from the airport is usually by car or van, sometimes connecting to a launch.

**Charter Flights** - Many remote islands maintain their own landing strips and their transfers are by charter flights, some use a charter seaplane. Transfer to the resort from the airport is usually by car or van, seaplanes taxi right up to the beach.

## Rental Cars

All you need is a current, valid drivers licence and to be over 21 years old. Driving in Fiji is on the LEFT side of the road and much of it is in rural areas with livestock on the roadways so caution is needed. We recommend using Thrifty Car Rentals, they offer a quality line of vehicles and have offices at most major hotels.
